WHO IS COMFORT RWANDA & CONGO?

Comfort Rwanda & Congo is a charity that has been working since 1999 to alleviate poverty and trauma in Rwanda following the 1994 genocide. **Comfort Rwanda & Congo** works with indigenous partners in Rwanda and D.R.Congo. **Comfort Congo** is our partner in D.R.Congo and together with them we have built a much needed lifesaving hospital for the desperately poor in Rusayo (near Goma).

WHY IS THIS HOSPITAL IMPORTANT?

This area of D.R.Congo is one of the most dangerous places in the world to be a woman, not only is there the constant threat from rebel soldiers but also there is little medical provision for childbirth. Many of the women live in grass huts with little access to fresh water. Disease is common and infant and mother mortality rates are very high.

HOW CAN YOU HELP?

This hospital is saving lives and has cut the neonatal mortality rate of the area by half. It is important for us to raise the money to keep the hospital functional. You can help us do this by buying equipment, medical supplies or by contributing to the running costs. The items listed are required to equip or run the hospital. You can choose which you would like to buy, fill out the form over leaf and together with your donation hand it to your local rep. or send it to the **Comfort Rwanda & Congo** office.

HOW MUCH OF YOUR DONATION IS USED?

When you choose to support the work of the Rusayu Hospital **Comfort Rwanda & Congo** will pass on 100% of your donation to **Comfort Congo** to make the purchases that you have requested.
